

VELIA NICHOLLS

AV REQUIREMENTS

The following items are what Velia believes are important to get the most from her sessions. These will vary depending on the size of your audience and venue.

In Person Presentation

- Lapel microphone
- Data projector and screen
- Velia's PowerPoint presentation will be provided to you prior to the event. Please ensure it is working and ready to go.
- Velia will provide a PowerPoint Remote Control to use with her presentation
- Small table on stage with a glass and jug of tap water
- AV Technician on site for the presentation

Online / Hybrid Presentation

Velia's preferred virtual software:

- Zoom
- Teams
- BlueJeans

Please note, whilst Velia is happy to discuss and use your preferred software for the presentation, if she is not familiar with your preferred software, she will require a test and briefing session of the software with your AV Technician at least 5 days prior to the presentation.

- AV Technician available prior and during the session to immediately trouble shoot any issues
